Art World Fairs

Shaping the Art of the Future, Celebrating Diversity Today

In Art World Fairs we believe that ART has the power to spark inspiration, bridge cultures, and bring communities together. Our objective is to curate exceptional art fairs that cultivate a captivating and inclusive artistic experience for both artists and visitors.
Art World Fair is an organisation directed by professionals with more than 20 years of experience in the art world and has the aim to strives to elevate the art fair scene to new heights.

Our mission

At ArtWorld Fairs, we are passionate about unveiling masterpieces that challenge and inspire, giving both established and emerging artists a stage to share their work with the world. Our goal is to cultivate cultural exchange, bringing together diverse voices and perspectives from across the globe to create a richer, more vibrant art community.
We are deeply committed to nurturing emerging artists, offering them the visibility and support they need to grow and succeed. By connecting artists with collectors, curators, and art lovers, we hope to foster a deeper understanding of art and its cultural impact through art education.
Above all, we strive to enhance the art collecting experience, making it more accessible, meaningful, and enjoyable for everyone involved. At ArtWorld Fairs, we want to create a space where discovering, appreciating, and collecting art feels both exciting and rewarding.

A TRADITION OF VISION SINCE 1974

50 Years of Artistic Excellence

Founded in 1974, the gallery has dedicated over five decades to the promotion of modern and contemporary art. Throughout a distinguished 50-year career, it has organized more than 1,000 exhibitions, participating in major international art fairs, museum exhibitions, biennials, diplomatic events, and cultural programs, including the Olympic Games in Beijing (2008).

The gallery's international presence includes exhibitions in Marbella (2008–2010), Barcelona, Vienna, Paris—including the Louvre—New York, and participation in renowned institutions and platforms such as the American Museum, the Guggenheim Museum, and Art Basel. Its work extends to over 20 museums worldwide.

Recognized for excellence, the gallery received First Prize in New York (2022) for Best International Exhibitor, as well as First Prize awarded in Paris by Pierre Cardin.

A strong advocate for cultural exchange, the gallery has facilitated collaborations between Europe and China, including projects in the Forbidden City in cooperation with French and Chinese government institutions.
